

How to register your company as a Bpifrance Enhanced Activity supplier ?

You have been approached as a potential supplier for Bpifrance. You will now have to register your company on our suppliers' referencing [platform](#). **Consequently, only this referencing will allow you to collaborate with Bpifrance.**

Why do I have to register my company ?

To be a part of the Bpifrance's suppliers and build a relationship of trust.
Together, we will become more efficient.

To facilitate your payment terms

Your visibility will be increased among Bpifrance prescribers

A unique and secure space to meet regulatory obligations

How can I register my company ?

You have been chosen by our prescriber, you will now have to transmit us some information. **You will receive an e-mail** specifying the necessary documents, login and password. Gather your documents and then log on to our supplier platform.

As a « **enhanced activity** » supplier, we need...

↳ **Official document** justifying that your company: ★

- is duly registered under the laws of the country where operating (**mandatory**), is still operating and is not subject to insolvency proceedings;
- is compliant with its obligations towards the national collecting department of employer contributions, has no arrears for the last 6 months and mentioning the numbers of employees of the company as well as the last statement transmitted to the collecting department of employer contributions;
- its obligations toward Tax Administration (proof of tax payment certificate);
- The list of foreign employees with a work permit and your intra-community VAT number;
- professional liability insurance (Business or professional insurance policy) or a liability release agreement

- ↳ • A certificate **from the bank (header)** confirming that the IBAN account is **owned by your company** and a **RIB** (bank account identity), your country of bank domiciliation & the country in which your turnover is generated
- ↳ • The CSR document and note
- All mandatory fields marked with a red line
- Your tax package and the required fields (at least turnover, operating profit, number of employees)
- The Compliance Questionnaire
- ↳ • In the section on Directors and Beneficial Owners:
 - Names of directors
 - Beneficial owner, (as defined by the article L. 561-2-2 of the French Monetary and Financial Code)

★ **If these Official documents do not exist under the laws applicable to you, the documentary evidence is replaced by a declaration on honour, available in your Pack.**
